SIZE FOR SOCKS

What sock size will fit best?

If you're not sure about which size is best for you, we can help. The best way to know which sock size to order is to use your shoe size as a guide.

Please refer to the shoe size chart below. It shows the shoe sizes for the USA, Europe (EU) and United Kingdom (UK) and then on the very left our sock size that is best for the shoe size.

Sock Size	Shoe Sizes				
	USA		EU	UK	
	Men	Women	Unisex	Men	Women
X-Large	13+		47+	12+	
Large	10 - 13	12+	44 - 47	9 - 12	9.5+
Medium	7 - 10	8 - 12	40 - 45	6 - 9	6 - 9
Small	4 - 7	6 - 8	36 - 40	3 - 6	3 - 5
Youth (XS)	1 - 4	3 - 6	32 - 36	13C - 3	1 - 3
Child (XXS)	8C - 13C		25 - 31	8C - 13C	

Important: Note that for the USA and UK there are two kid size ranges. The smallest is marked with a **C** (children) and the larger with a **Y** (youth). This [children shoe size by age chart](#) might also be helpful.

Also note that our socks sizes are **gender neutral**, i.e. you do not have to specify "women's large". This makes it more convenient when ordering for groups that may consist of both men and women.
